Once again, a delightful afternoon's bowls at Chestnuts who we only met in his friendly this year. John Hurren on Rink2 started very well to be 8-2 up at the 6th end and stayed in front throughout finishing comfortable winners on 19-9. A very equal game on Rink4 saw Bob Parker 5-5 at the 6th end, then 8-13 down at the 13th end to be 12-13 at the 15th end followed by dropping two singles on the 16th and 17th ends. A three on the final end gave a fitting 15-15 draw result. Jack Lafford's triple showed their worth and reached double figures whilst only conceding three shots by the 10th end. The opposition remained on 3 until the 15th end whilst Jack went to 19; twelve shots on the last two ends pushed the final score to 31-7. A very poor start on Rink6 saw Jeff Bizzell's triple 2-11 down at the 7th end the only positive was that the last ends did score 9-6 finishing at 11-17.
