Slightly depleted team went to Fairford as four regulars were playing in a County Fours at Adderbury. On rink1 Steve Gould came back from 3-7 down at the 6th end to be tied at 10 each at the 14th end only to then score 4 against 5 in the final ends to finish one shot losers. Bob Parker's triple on rink2 were 2-8 down at the 7th end then recovered to lead 11-10 at the 13th end but unfortunately dropped away on the final five ends and finished down 13-16. Dougie Mustoe did not allow their opponents to score until the 6th end by which time they were 7 shots up but were pulled back to 8-8 at the 11th end. Scoring 10 against 1 in the remaining seven ends achieved a winning score of 18-9 and the pens. Not scoring until the 8th end and then to be 1-11 down left quite a task for Tim Stacey on rink 4, a task too great and went further downhill to find themselves 4-24 down at the 15th end. A slight recovery by taking six shots without answer in the last three ends giving a final score of 10-24. Finding themselves 5-11 down at the 12th end Trevor Wakeman recovered well taking 12 shots without conceding any and ended the game 17-11 victors.
