A big thank you to Paul Godfrey for organising the gamekeeper's team again this year, quite a thing to get 20 non-bowls players to be at the club at the same time on the same day. Lovely warm evening and great company made the final score insignificant and it was good to see some of the gamekeeper's bowling technique improve during the game.

Best gamekeeper's team was Barrie's team comprising Donald Locke, Gemma Morris, Richard Locke and Barrie Graves, pictured below receiving the Cyril Agg Memorial Trophy and certificates from Christine Agg.
