On a very warm Saturday we welcomed Supermarine and no-one could remember the last time they came to Burford. The green played very well and probably the fastest it has been all summer.

Trevor Wakeman on Rink1 were 1-2 down at the 3rd end but then did not allow their opponents to score again until the 12th end when the score was 22-3, this margin was increased to 29-3 at the 15th end and even six shots scored on the last three ends failed to get them to double figures with a final score of 29-9. Tim Stacey on Rink2 was 0-3 down after three ends but then scored freely to be 11-3 up at the 7th end, 22-5 at the 14th end with another nine shots to 2 shots over the last three ends finishing 31-8 winners and collected the pens. From being 9-1 up at the 6th end Jeff Bizzell's triple on Rink3 lost their way or maybe their opposition read the green better as they came back to be 10-10 at the 12th end. 10-shots to 4-shots resulted in a 14-20 defeat and all credit to Supermarine's lead who kept on the jack from the 7th end. On Rink4 Bob Parker were 4-2 up at the 6th end but then slowly went behind to find themselves 8-13 down at the 15th end. Four shots on the 16th and 17th ends put them 12-13 down going to the final end but unfortunately one shot against finished the game as a 12-14 loss. Steve Gould on Rink5 gave away a five at the 5th end to be 3-6 down but then took 13-shots and were 16-6 up at the 10th end. Nine-shots to 3-shots over the remaining ends gave his triple a 25-9 victory.

We look forward to the return fixture next year.
