The weather finally broke and it was raining but nobody seemed to mind. Lovely to welcome Wychwood to our green and it was a wonderful evening in very good company.

On Rink2 Jack Lafford's triple lost the first two ends but then won the next eight ends to be 16-3 up at the 10th end. Allowing their opponents to score four shots on the next three ends then scored eight on the last three ends (5,2,1 shots) to finish comfortable 25-8 winners. Tim Jolley on Rink3 continued where he left off as skip against Chadlington to be 12-4 up on the 11th end then dropped a single on each of the next three ends but then scored ten shots without reply on the final four ends to win 22-7. Not to be outdone Tim Wilkins on Rink4 skipped his triple from being a relatively close 8-5 at the 9th end to score 18 shots without reply ending up 26-5 victors and claim the pens. Rink5 saw the closes game of the evening with Jeff Bizzell and Peter Shirley as skips to their triples in a "tit for tat" evening. 9-9 at the 8th end then 13-11 at the 11th end, 15-16 at the 15th end, 16-17 at the penultimate end but a four on the last end gave a home victory of 20-17.
