The leaders of div 3, continued their 100% win achievement for Carterton B with a 5-1 win at Thame. Dave white scored the only point for the home team, whilst the highest winning rink for Carterton was skipped by Matt Osling, The overall shot scores were 45-79 for the ambitious young (mostly!) Carterton team. Burford retain their second spot by beating their local rivals at Charlbury with a 5½ - ½ result. Only an accurate firing shot by Charlbury's Dave Cooper, on the last bowl of the last end prevented the full house, when Steve Gould had a lucky wick to have the shot wood before the last bowl was sent. Good rink wins for teams skipped by Bob Parker, Jack Lafford & John Hurren led to an overall margin of 14 points and completed the double, which was achieved by their opponents the year before. Bicester claimed third spot by recording a good 5-1 win over Woodstock. Tim Stevens won the only point for the travellers, whilst Bicester skips Terry Freeman, Peter Hesketh & Adrian Balshaw all won their rinks for Bicester. The pens went to Adrian for beating Simon George's rink by 13 shots.
