R4	B. Parker	12	0	P. McLeod	15	1
	Aggregate		2	Aggregate		0
	TOTAL	78	4	TOTAL	63	2

Division 2 has one more evening of games next Thursday to determine who goes where next year. Both leading teams have a chance of winning the league, although South Oxford are the only definite qualifiers for division 1 so far. South Oxford meet West Witney for their last game and West Witney re-established their class this week, by comfortably beating their local rivals Witney Mills, which surprised a few people. Dave Leighfield and Martin Shepherd led the way with wins against Andy Wiggins and David Auger, but West Witney created a large margin between the two teams with a difference of 24 shots. Whilst Burford and South Oxford carved out 4-2 wins, despite a number of regulars not being available. The two tail-enders though are destined for division 3, whatever they achieve in their last games of the season. John Hurren.
