Last year's league winners visited on a pleasant, if slightly windy, Sunday afternoon and suffered quite a heavy defeat.

Tim Stacey on rink2 just did not let their opposition get in the game at all, from losing the first end and one shot down they then went from 4-2 up on the 5th end to 17-3 on the 11th to finish convincing winners at 28-9. Similarly Steve Gould kept ahead from 3-3 at the 4th end to 16-3 at the 13th end and ran out victors at 19-10. Slightly closer on rink4 Bob Parker came from 2-7 down at the 7th end to then score ten shots without conceding over the next five ends to be 12-7 up and stayed in front for a 19-12 win. Even closer was the game on rink5 where Jack Lafford was 4-7 down at the 7th end then 14-7 up at the 10th end to find themselves 14-16 down at the 13th end. Gaining two shots at both the 14th end 15th ends put them in front 18-16 to be then tied at 18-18 going into the last end when a single shot win gave them a 19-18 victory.
