

Torquay Tour

9th May – 12th May 2025

Departed on time and made very good time down to Torquay and, much to our surprise, the rooms were ready for us on arrival.

Carlos appreciated going on tour this year.

In summary

A most enjoyable tour that was made all the better with having Tim as our driver once again. His manoeuvring of the coach in Brixham, when faced with an unknown road closure, and reversing through the housing estate at Wotton-under-Edge, to get to the bowls club, were quite some feats of driving. Thank you Timmy.

On the bowls side this was our 4th outdoor bowls tour and, although we lost our first game on our 14th game on tour at Brixham, we once again had a very successful tour. Of the twenty four rinks played over the four days we won 15 rinks (405 shots) to nine rinks (345 shots). Three or more winning rinks were played by Pauline Tuckey, Steve Gould, Roger Hopkins, Steve Webb, Clive Aldridge, Brian Clark and Jeff Bizzell. Of those, one played on four winning rinks, but I'm too bashful to say who!!

Many thanks to Tim Stacey for organising the tour and the choice of hotel, TLH Toorak, could not be faulted.

Thank you to Roger Hopkins, who was our official photographer with badge to prove his position, for taking such a lovely range of photos as a record of the tour.

Thank you to all the guests who supported the tour and enabled us to put out six rinks each day and look forward to seeing you all again next year which will be to Great Yarmouth 7th – 11th May 2026.
